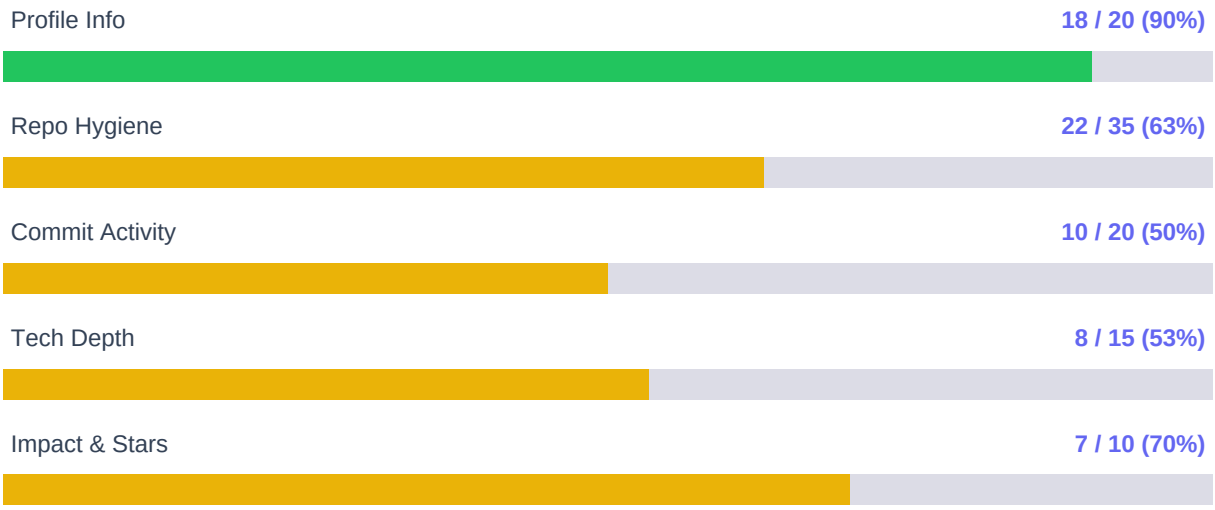
Portfolio Score Breakdown



Recruiter Verdict

Good portfolio with room for improvement in documentation.

Green Flags

+ Consistent commit activity
+ Projects well-documented

Red Flags

! Few repos have live demos

! No pinned repos

Dimension-Level Strengths and Gaps

Profile Info (18/20)

+ Bio present

! Add website URL

Repo Hygiene (22/35)

! Add READMEs to 5 repos

Commit Activity (10/20)

+ Recent push within 30 days

Tech Depth (8/15)

Impact & Stars (7/10)

+ 34 total stars

Prioritized Action Plan

Ranked checklist to rapidly increase your developer portfolio readiness score.

1. Add live demo links to top 3 repos — High Impact | 30 min

2. Write README for unpinned repos — Medium Impact | 1 hour

Repository Health Audit

Audited 2 original repositories for documentation and hygiene standards.
